

## *Whats' Happening this Week*

### Greetings

I hope that you are all ready for the challenge of the next 4 weeks at least in doing what we can to beat Covic 19. If everyone plays their part this will provide the best chance of success and keep the lock down to the planned period.

The teachers have done a great job over the last two days in preparing for home learning. They like many businesses are working remotely this week and the time after the holidays whilst the lock down continues. Officially the school holidays begin this Friday and continue until Wednesday April 15. Teachers will be available outside the holiday period to provide support with your child's learning. If you have any questions, please communicate with your child's teacher. I have seen some great videos already today.

The PFA Easter Raffle will be completed after we return to school. Please hold onto your Raffle Sheets and money. The prizes are wrapped and ready for lucky winners at a later date.

May God be with and watch over you all at this time.

Best wishes  
Denis
